

## Discovery Interview/Questionnaire

Every home tells a story about its owners. As an interior designer, my wish is not to impose my vision but to help you realize yours.

Please complete this questionnaire regarding your expectations and desires for your home. Add any information unaddressed. This questionnaire and any magazine clippings will assist me to define the style and function that best suits your needs. If a question is not applicable, please write N/A.

- Collect blueprints or drawings of the floor plan of your home.
- Start a file – pictures of rooms from magazines, books, places you have visited that illustrate ideas you like. Use post notes, etc.
- Describe the feeling you want to create upon entering your home. How do you want the flow to reveal going room to room. Example: calm, serene, warm, dramatic, wow

---
- Would you like your home filled with places to relax, a sanctuary?  

---
- Would you like an artsy colorful home that energizes you?  

---
- Do you have pets or children?  

---
- Do you or any of your immediate family have any allergies, physical limitations that will impact functionality/flow?  

---
- What colors are you attracted to or what have always been your favorites?  
Remember, they don't have to be the current fashion colors most shown today. Collect paint colors from paint stores, or just cut out colors from magazines  

---
- Do you have collections/mementos of your life you would like to display? Do you have a collection of family photos that need to be framed or hung?
